e-mail: mwheats@ukr.net

Abstracts of the conference reports may be written in Ukrainian, Russian or English and must be made **in accordance with the above example**. File format is as a Microsoft Word document.

The volume of abstracts is **up to two A4 pages**. All the fields on the page are 2.0 cm. **UDC index is in upper left corner**. Name of the abstract should be centered on the page, in **CAPITAL** letters, font 12 pt, Times New Roman, bold. Names and initials of authors are also centered on the page, font 12 pt, Times New Roman, bold, the name of the speaker underlined. If there are multiple authors from different organizations, one mark by cipher index (^{1, 2}...) after the author's name and before the name of the organization, respectively. The names of the organizations are indicated completely and are located in the middle, font 12 pt, Times New Roman, *italics*. Between the title, names of authors, address and text of the abstract interval in one line should be made. The abstract text is drawn by font 12 pt, Times New Roman, single-spaced and centered on the width of the page.

Abstracts should be informative and give a complete picture of the nature of the results and their scientific novelty and relevance.

Abstracts should be sent by e-mail as an attached file. **File name: surname and name of the first author and the section number to which the report relates (e.g., khomenko_svitlana_1.doc).**

The Organizing Committee sends the materials for review and reserves the right to select for presentation at the conference the abstracts corresponding to its subject and decorated in accordance with the requirements.
